THE TEAMSTERS' STRIKE AT ROME.
We've seen the labor unions growing larger day by day—
We've heard them ask for eight hours' work 'long with ten hours' pay.
The carpenters, the bricklayers, the men who drive the cabs.
All join in resolutions that their enemies are "scabs."
There's been a strike in Holland, where storks visit every home.
But the latest and the greatest is the teamsters' strike in Rome.
Old Calus Julius Rafferty, who drives a sorrel plug.
Told young Demetrius Plannigh, he of the classic mug.
That Capital and Wrong were right together, cheek by jowl.
"O, Tempora!" Demetrius said; "well, let us make Rome howl!"
Then from two Latin schooners they blew sundry specks of foam—
And this was the beginning of the teamsters' strike in Rome.
Hermilinus Cassius Doogan sent his horses to the hay;
J. Cleora McFadden bled himself to a buffet;
Horatius Quidnunc Casey took his "bus right off the street,
And played a game of schachkopf with the cop on the beat.
Old Callinus Equus Flynn, he of the foxy dome,
Was made highmuckalorum of the teamsters' strike in Rome.
Hell Caine's Eternal City, sitting on its seven hills,
Now knows the meaning of a strike and its resultant ills.
No frisky young patrician, with a chorus girl in tow,
Can get a hack to take him o'er the Tiber from the show;
And drummers who were wont to ride now hit the Latin loam;
This is the mournful halloo of the teamsters' strike in Rome.

George Cox & Son, Founded in May, 1819, Quits Business.

Messrs. D. Hunt & Son have purchased the stock of dry goods of George Cox & Son and will move into the store of the latter, which they have leased, on July 13th.

The retirement of Messrs. George Cox & Son eliminates from the business of Maysville not only the oldest local firm but perhaps the oldest in Eastern Kentucky.

The house was founded by the grandfather of the present proprietors in May, 1819, and retires upon the rounding out of eighty-four years of a most successful business career.

MEMORIAL DAY.

D. W. McClung of Cincinnati to Be the Orator in Maysville.

A movement is on foot in this city to have a more general observance of Decoration Day on Saturday, May 30th, than has hitherto been known here.

As it is perfectly proper in the premises, the old soldiers have taken the initiative and have invited the entire citizenship to join with them in making this a memorable occasion.

Members of the various Fraternal Orders are invited to participate in the decoration of the graves of their departed brethren, and it is hoped that there will be a generous response to the invitation.

The Redmen's Band has been engaged for the exercises and there will be splendid vocal music as well.

Too Great a Risk.

In almost every neighborhood some one has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned. A reliable remedy for these diseases should be kept at hand. The risk is too great for any one to take. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. It can always be depended upon. For sale by J. Jas. Wood & Son, Druggists.

That's What They All Say!

Said a gentleman who bought one of our Wool Crash Coat and Pants yesterday, "I did not expect to find as perfect fitting garment ready made as these." Upon telling him the price of the suit he inquired if the material was all wool. It was quite difficult to make him believe it was on account of the low price we sell them for.

No house in the state shows as elegant line of Crashee as we do. We want you to see them.

The weather is getting right for our Soft, Comfort-Giving Shirt. Try our "Faultless." You commit a fault if you don't. It's the best dollar shirt in the world. Were there a better we would not have these.

The Best for Our Patrons is Our Sole Aim.

Our Clothing Department is becoming jealous of our Shoe Department. We put shoes in our store for a side issue. We wanted Maysville to have the reputation of selling as good shoes as she sells clothing. Like our Clothing, we bought the "Best." Consequently, we are running away with the "Good Shoe Trade" of the county and city. Our Douglas \$3 and \$3.50 Shoes are warranted to give satisfaction or the money back. No risk in buying Shoes here.

THE HOME STORE. D. HECHINGER & CO.

SUPPOSE WE HAVE A LITTLE TALK About Cotton Chain or Linen Chain and All-Straw MATTINGS!

Do you know which wears best? The linen chain? No! An all-straw matting will outwear any linen chain. We would like to prevail on customers, who want long service, to buy all-straw mattings. But the patterns make them hesitate. The all-straw is less pliable in weaving than linen chain, therefore its patterns are less pronounced and showy. The all-straw is usually a solid color or a block design. But remember, though the pattern is less striking than in the linen chain, the service is double and the price less.

**ALL-STRAW 15c, 20c, 25c.
LINEN CHAIN 25c, 29c, 35c.**

FLOOR OILCLOTHS.

You commit an injustice against yourself when you buy inferior oilcloth. Don't do it. We sell the superior qualities for less money than others charge for the doubtful and unworthy. 35c quality 25c. 40c quality 35c.

Mr. Joseph Pomerville of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. He troubles with indigestion, bad taste in the month, lack of appetite or constipation give these Tablets a trial and you are certain to be more than pleased with the result. MAYSVILLE has heretofore been represented at Frankfort only in the Pen—and the Legislature. She now wants one of her sons in the Governor's Mansion.

JUDGE JAMES HARGIS, the Democratic County Judge of the Democratic county of Breathitt, has given out an interview in which he says "politics is at the bottom of the assassinations in that county." As the Democrats are in the ascendancy by almost three-to-one, it would appear that the "trouble" was chiefly on that side of the fence. It may be, however, and probably is, the policy of the Democrats up there to kill every man who is unfortunate enough to be a Republican. In this view, Judge HARGIS is right.

The total amount of money embezzled by dishonest employees during 1902 in the United States and Canada reached the enormous sum of \$6,933,516.

IN MAYSVILLE.

Every Claim is Backed By Local Testimony.

If the reader wants stronger proof than the following statement and experience of a resident of Maysville what can it be?

Mrs. Willard Nichols of 251 West Third street says:

"The result of the use of Doan's Kidney Pills proves them to be a most valuable remedy. Relief from backache follows from the first dose and a positive cure is effected in a short time. Mr. Nichols also used Doan's Kidney Pills with the best results, procuring them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y.

WASHINGTON (RUSSELL, DYK AND FRANK, OPERA-HOUSE)

An interesting and entertaining program will be given at the Opera-house Friday evening by the Department of Physical Culture at Hayswood. Drills in dumb-bells, Indian wars, long poles, Indian Clubs and free gymnastics will be given by the class. These drills will be followed by an amusing comedia entitled "Dr. Frances the vine." Music will be furnished by the Maysville Orchestra. Admission 25 cents. Those who have already secured their seats may have them re-sold without extra charge. Box sheet now open at Nelson's.

JAMES HARGIS is at the head of the Hargis end of the Hargis-Jett feud in Breathitt county. He is also County Judge of that murder-cursed county. It is not strange, therefore, that "Judge" HARGIS should have "suggested" to Governor BECKHAM a reward of the "enormous" sum of \$250 as a reward for the arrest of J. B. MARCUM's assassin—who undoubtedly belongs to Judge HARGIS's factional army. But, all the same, the Governor offered a reward of \$500, which is the limit allowed by law. However, even this is not thought sufficient to induce any one to risk life in an attempt to capture the guilty party.

According to his own admission, the Sheriff of Breathitt county, who was in sight of MARCUM when shot down, did not lift a finger to apprehend the assassin, being afraid, as he confesses, to venture on the streets in pursuit of his duty. The County Judge also saw MARCUM as he was shot, and acquiesced in the inaction of the Sheriff, who was in the Judge's presence at the time, the two trusting to a far-cial search of the Courthouse for the murderer or murderers by the Deputies of the valorous Sheriff. And yet it is to such local machinery as this that we must look for the vindication of the law in Breathitt!

The System Lives on Good, Rich Blood.

People Who Lack the Proper Quantity and Quality of Blood Fall Victims to Every Disease That's Prevalent.

DR. A. W. CHASE NERVE PILLS

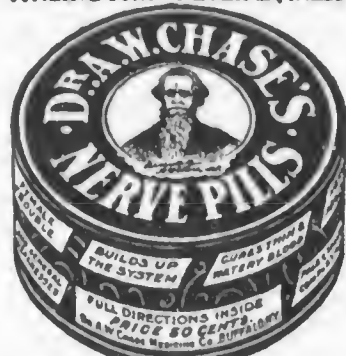

By Their Power to Make Good, Rich, Red, Oxygen-Carrying Blood, Insures the Proper Nourishing of Every Tissue, Every Organ in the Body and an Absolute Immunity From Disease.

The blood is the medium through which every tissue, every organ is supplied with the material it needs upon and rebuilds itself with. Takeaway that nourishment by letting the blood run down in quantity and quality and you take away the power of an organ or tissue to resupply waste or rebuild itself. In other words the system starves, color, appetite, steadiness, energy, vigor, vitality all are lost and a condition of mental and physical prostration sets in. This condition the Dr. A. W. Chase Pills positively cure by their power to manufacture good rich, nutritious oxygen carrying blood, a blood that carries to every organ the very material it lives and thrives upon.

Miss Elsie Fraser of No. 43 Main street, Oneonta, N. Y., says: "Last summer I was in bad shape—all run down in health—no appetite and poor digestion—I did not sleep well and felt tired and languid all day. I was pale and the circulation was poor—I felt cold all summer with no improvement. Having Dr. A. W. Chase's Nerve Pills recommended I got a box and used them and they thoroughly cured me. No more dizziness or headaches, sleep sound and refreshing, appetite good, digestion perfect, blood rich, circulation good, color excellent, in fact vigorous and strong in every way. I can't speak too highly of the medicine, as it certainly is a grand one."

BEWARE OF IMITATIONS—Signature and Portrait of Dr. A. W. Chase on each box of the genuine. For sale by dealers, 50c a box, or Dr. A. W. Chase Medicine Co., 257 Washington street, Buffalo, N. Y.

A NERVE TONIC NEVER EQUALED

THIS SHAPED BOX—NO OTHER MAYSVILLE, KY.

Mr. Thomas Maher of No. 212 Lee street, Maysville, Ky., says: "I have been a sufferer for some time from heart failure and acute indigestion. Hearing of Dr. A. W. Chase's Nerve Pills, I got a box at Chenoweth's Drugstore, and now I am pleased to say the pains in the region of the heart have ceased and my digestion is good. I can recommend this medicine very highly."

AN EMPHATIC ANSWER

To all of that "Tommy Rot" that the Trust men have been feeding you! They were only "Guying" you! They are paid to sell you Trust machines at a big price! They have to offer some excuse for trying to sell you a light-weight, cheaply-constructed and inferior Binder at an advanced price! They dare not admit the truth! If they did no one would buy a Trust machine. So they all tell you that a Minnie Binder is "no good," while we tell you it is the best one on earth. **READ THIS STATEMENT AND DECIDE FOR YOURSELF WHO HAS LIED!** Some one is guilty!

FEESBURG, OHIO, April 21, 1903.

This is to certify that I have owned and successfully run for seventeen years a Minneapolis binder which has at any and all times given me complete and absolute satisfaction. This binder that I own—seventeen years old—is a matter of neighborhood gossip. The entire neighborhood knows just what this binder has done, as during that time I have continually cut wheat for my neighbors. This binder has been all over the neighborhood in the past seventeen years; has cut any and all kinds of grain, over any and all kinds of land, and is absolutely nonchokable. The same canvasses that were on the machine when I bought it are there yet, and I challenge any other binder to show a record of as many acres cut as this machine has cut, seventeen years old. I have practically spent no money for repairs upon this machine all during this time. Other binder companies knowing the age of this machine have all sent their salesmen to sell me a binder of some other make. To each and all of these agents I have made one, and only one reply, you could not give me anything but a Minneapolis binder. If anyone doubts the assertions made in this statement, they have only to ask any farmer in our neighborhood. There are some young farmers living in our neighborhood who remember distinctly that this binder cut their father's harvest before them. I wish to say to my brother-farmers that if they ever own a Minneapolis, they will own an Acme of perfection in binder building.

My address is Feesburg where I can be found at any and all times and I solicit communication in person or by mail by man, woman or child who is interested in this matter.

Very respectfully,

LOUIS LOVE.

Gentlemen of Mason county: Mr. Love's old Binder is here in front of our store upon exhibition. Mr. Love only lives fifteen miles from Maysville. You can call upon him and his neighbors and see what this old Minnie has done. This old machine is guaranteed to yet cut 100 acres of grain. Come and look at this old warhorse; see the excellent condition it is yet in! Look at the gear and cog wheels and learn for yourself the excellent grade of material which goes into the construction of a Minnie Binder.

BE A MAN OR A MOUSE!

Take your stand now either for the great Binder Trust or for John I. Winter, The Price Fighter. Remember always that there is not a Trust article in our stores.

The above illustration shows the famous JUMBO BUGGY, built by the Anchor Buggy Co. of Cincinnati and on exhibition at Klipp & Brown's. This immense buggy is the largest ever manufactured, and is built on a plan of four times the regular specifications of the ordinary vehicle. The height is again as great as the ordinary shop buggy with 42-46-inch wheels. If you were to take eight buggies and pile them two high, two wide and two deep it would give you the exact width, height and length of the Jumbo. The wheels of this buggy are 7 feet 4 inches in front, 8 feet 2 inches at the rear. The bed is 112 inches long, 44 inches wide, and the total height from the ground to the top is 18 feet, and the vehicle will carry easily and comfortably twelve people. The manufacturers, Anchor Buggy Co., have the distinction not only of building the largest buggy in the world, but also of building the best buggies in the world, and their immense trade is the result of furnishing good goods at fair prices.

The Madison (Ind.) Courier has this to say of Kentucky river: "The length of the Kentucky river is 261 miles from the Three Forks whose union at Beattyville forms the main stream to its mouth at Carrollton. As the bird flies from the Three Forks to Carrollton it is but 105 miles. An irreverent native once remarked: 'The fool surveyor was drunk when he laid out this blamed river, and he got it sinful crooked.' It is a wild, picturesque, beautiful river, with towering castellated battlements cut out of the solid rock, and individualized by peculiarities of bend and bottom which have received characteristic local names, such as Hell's Half Acre, the Devil's Elbow, Goggen's Ripple, Crooked Shoals, Troublesome Creek and Cow Run Ripple. The three tributaries which form the river are known as the North, Middle and South Forks. They rise in the Cumberland Mountains and unite at Beattyville. The scheme of river improvement is to reach the mineral and forest wealth in the mountains by slack or pool water navigation and open it to the world through the Ohio and Mississippi rivers."

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices. OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours. Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
